

Log Live-Forum

The results of all live forums should be documented in a journal after the user conference. Please, be sure to consult with the other participants about the key thoughts and arguments found in the discussion and formulate jointly a final summary on the subject.

Subject:	Usability for Editors	
Keeper of the minutes:	Dirk Langenheim	
Participants: (as an alternative business-cards may be given)	10	

Minutes (Please note all key thoughts of the discussion. The back of the sheet may be used if additional space is needed.)	→ Many problems linking existing pages
	- Create accessible pages
	- Connect correct pages, at correct place
	- Complex-classes
	- A battle between administrators and editors
	- Copy and paste between complex text from word & RedDot
	Solutions
	➤ Tidy (problematic but good)
	➤ Preassignments
	➤ Help screen (answer moves with question mark Red-Dot)
	➤ Search for the problems of your editors and build smart but small solutions
